SECURITIES PURCHASE AGREEMENT

This Securities Purchase Agreement (the “Agreement”) is entered into as of April __, 2025 by and among Scientific Industries, Inc., a Delaware corporation (the “Company”), and each of the purchasers, severally and not jointly, listed on Annex A hereto (collectively, the “Purchasers” and each, a “Purchaser”).

BACKGROUND

The Company desires to sell, and each Purchaser desires to purchase, shares of the Company’s common stock, par value \$0.05 per share (the “Common Stock”), and warrants to purchase shares of Common Stock, on the terms and subject to the conditions contained herein.

The issuance of the shares of Common Stock and warrants to purchase shares of Common Stock hereunder is being made in a private placement, without registration under the Securities Act of 1933, as amended (the “Securities Act”), or any other applicable securities Laws (as defined below), in reliance on one or more exemptions from registration and other requirements thereunder.

Capitalized terms used in this Agreement shall have the meanings set forth in Section 7.14.

Therefore, in consideration of the foregoing, and the representations, warranties, covenants and conditions set forth below, the parties hereto, intending to be legally bound, hereby agree as follows:

1. Purchase and Sale of Common Stock.

1.1 Sale and Issuance of Common Stock. Subject to the terms and conditions of this Agreement, each Purchaser agrees, severally and not jointly, to purchase at the Closing (as defined below), and the Company agrees to sell and issue to the such Purchasers at the Closing, that number of units, each comprising (a) one share of Common Stock, and (ii) a warrant to purchase one share of Common Stock (the “Warrants” and, together with the Common Stock, the “Units”) at a purchase price of \$1.00 per Unit. The shares of Common Stock purchased by each Purchaser and number of shares of Common Stock underlying the Warrants purchased by each Purchaser, in each case, at the applicable Closing for such Purchaser, shall be set forth by the Company opposite such Purchaser’s name on Annex A hereto. The shares of Common Stock to be issued and sold by the Company to the Purchasers pursuant to this Agreement are collectively referred to herein as the “Shares”, the shares of Common Stock issuable upon exercise of the Warrants are collectively referred to herein as the “Warrant Shares” and the Shares, Warrants and Warrant Shares are collectively referred to herein as the “Securities”. To the extent a Purchaser’s subscription amount accepted by the Company with regard to the purchase of Units pursuant to this Agreement does not divide into a whole number of Shares, then the Purchaser hereby agrees that the Company may, in its sole discretion, receive and keep the excess subscription amount closed upon pursuant to this Agreement up to \$0.99. Prior to the Closing (as defined below), each Purchaser hereby agrees to pay the entire purchase price of the Shares for which such Purchaser has subscribed, as is set forth on the Purchaser’s signature page, by wire transfer of immediately available funds in an amount equal to such purchase price to FirstBank or such other bank as may be selected by the Company (the “Escrow Agent”) in accordance with the wiring instructions provided by the Company or on the Company’s behalf by the Company’s placement agent Brookline Capital Markets, a division of Arcadia Securities, LLC (the “Placement Agent”). The Escrow Agent shall hold the escrow funds for the benefit of the Company until the applicable Closing pursuant to the terms of an escrow deposit agreement between the Company, the Escrow Agent and the Placement Agent, whereupon the Escrow Agent shall release the funds as designated in writing by the Company and the Placement Agent. In the event a prospective Purchaser’s subscription is rejected by the Company, which each prospective Purchaser hereby acknowledges the Company may do at any time, in whole or in part and for any reason or no reason, in the Company’s sole discretion, then such prospective Purchaser’s funds in escrow that are rejected, if any, shall be promptly returned to such prospective Purchaser without interest or deduction. In the event the Initial Closing (as defined below) has not occurred by May 31, 2025, any funds of a prospective Purchaser that are in escrow will be promptly returned to such prospective Purchaser, without interest or deduction, upon such prospective Purchaser’s written request to the Company for the same. Any unaccepted subscription amount(s) shall be promptly returned to the same account from which such amount(s) were received (or, if the Company and the Placement Agent so determine, to such other account or in such other manner as the Company and the Placement Agreement may mutually agree upon with the Person to whom an amount is being returned) without interest or penalty. Additionally, the Company and the Placement Agent will promptly return funds in escrow for unaccepted subscriptions if (i) such funds remain in escrow for more than 90 days after the Company or the Placement Agent, as applicable, have received completed subscription documents from the prospective Purchaser, (ii) the prospective Purchaser then requests in writing the return of such funds to the extent such funds are not closed upon within 30 days of receipt of such writing by the Company and the Placement Agent, and (iii) such funds then are not closed upon within 30 days after the receipt of such writing from the prospective Purchaser.

1.2 Closing. The initial purchase and sale of the Units and other transactions contemplated hereby (the “Initial Closing”) shall take place remotely via the exchange of documents and signatures by electronic mail, facsimile and/or other similar electronic manner on the date hereof or at such other time, place and manner as the Company and the Purchasers shall mutually agree (the date that the Closing occurs, the “Initial Closing Date”). In the event there is more than one closing, the term “Closing” shall apply to each such closing unless otherwise specified. At each Closing, unless waived by the Company and the Placement Agent, (a) each Purchaser shall execute and deliver to the Placement Agent an investor acknowledgment letter, an escrow acknowledgement letter, a client suitability review form and an anti-money laundering form, in each case, in the forms provided along with this Agreement and (b) the Company shall (i) issue to each Purchaser (and deliver a book-entry confirmation by the Company’s transfer agent) that number of Shares set forth opposite such Purchaser’s name on Annex A hereto in book-entry form and (ii) deliver to each Purchaser a Warrant in the form attached hereto as Exhibit A-1 or, at the election of a Purchaser, in the form attached hereto as Exhibit A-2, to purchase that number of shares of Common Stock set forth opposite such Purchaser’s name on Annex A hereto; provided that, notwithstanding anything to the contrary in this Agreement, such delivery of the Warrant to Purchaser may, in the Company’s sole discretion, be made up to three business days after the applicable Closing. At each Closing, each Purchaser and the Company shall execute and deliver the Registration Rights Agreement among the Company and each Purchaser, the form of which is attached hereto as Exhibit B (the “Registration Rights Agreement”). The parties acknowledge and agree that the Company presently is offering an aggregate amount of up to \$2,500,000 of Units (i.e., 2,500,000 Units at \$1.00 per Unit) pursuant to this Agreement.

1.3 Use of Proceeds. The proceeds from the sale of the Units will be used for operations, working capital and other general corporate purposes, including covering costs and expenses associated with the offering of the Units.

The Purchaser is not, and shall not be, a person: (a) acting, directly or indirectly, on behalf of terrorists or terrorist organizations, including those persons or entities that are included on any of the United States Office of Foreign Assets Control (“OFAC”) lists; (b) listed on, residing in, or having a place of business in a country or territory named on any of such lists, or which is designated as a Non-Cooperative Jurisdiction by the Financial Action Task Force on Money Laundering (“FATF”), or whose funds are from or through such a jurisdiction; (c) that is a “Foreign Shell Bank” within the meaning of the USA Patriot Act; or (d) residing in, or organized under the laws of, a jurisdiction designated by the United States Secretary of the Treasury under Sections 311 or 312 of the USA Patriot Act as warranting special measures due to money-laundering concerns.

3.7 Non-U.S. Investor Matters.

(a) Notwithstanding anything to the contrary contained in this Agreement, each Non-U.S. Investor (as defined below) and the Company agree that, as of and following the date of this Agreement, no such Non-U.S. Investor shall be afforded any of the following within the meaning of the Defense Production Act of 1950, as amended, including any implementing regulations thereof (the “DPA”): (i) “control” of the Company; (ii) access to any “material nonpublic technical information” in the possession of the Company; (iii) membership or observer rights on, or the right to nominate an individual to a position on, the board of directors or equivalent governing body of the Company; or (iv) any “involvement,” other than through the voting of shares, in “substantive decision making” by the Company regarding: (A) the use, development, acquisition, safekeeping, or release of “sensitive personal data” of U.S. citizens maintained or collected by the Company; (B) the use, development, acquisition, or release of any “critical technology”; or (C) the management, operation, manufacture, or supply of “covered investment critical infrastructure.” To the extent that any term in this Agreement would afford any of the foregoing to such Non-U.S. Investor contrary to the intent of each Non-U.S. Investor and the Company as expressed herein, such term shall have no effect as to the Non-U.S. Investor. Additionally, for the avoidance of doubt, in the event that any Non-U.S. Investor is afforded any information and/or inspection rights pursuant to written agreements with the Company, such rights shall not include access to material nonpublic technical information in the Company’s possession nor any involvement in substantive decision making with respect to the matters listed in clause 3.7(a)(iv) hereinabove. For purposes of this Agreement, a “Non-U.S. Investor” means a Purchaser that is a “foreign person” within the meaning of the DPA.

(b) The Company shall have and shall exercise the right to (i) exclude any Non-U.S. Investor from access to any information, facilities, or properties of the Company or any its subsidiaries, and (ii) prohibit any Non-U.S. Investor from engaging in discussions and communications with any Company personnel and any personnel of any Company subsidiary if the Company determines in its sole discretion that such exclusion is necessary or appropriate to enforce the limitations in Section 3.7(a).

3.8 Purchases by Affiliates of the Company and the Placement Agent. The Purchaser acknowledges and understands that the Company reserves the right (but is not obligated) to have its officers, directors, employees and affiliates and other persons who will receive fees or other compensation or gain dependent upon the success of this offering, including the Placement Agent and its employees, associated persons, and affiliates, purchase Units in this offering and that such purchases may be made at any time. The Purchaser does not expect that the sale(s) of Units in this offering indicates that such sale(s) have been made to investors who have no financial or other interest in this offering or who otherwise are exercising independent investment discretion. The Purchaser acknowledges and understands that there may be substantial purchases by officers, directors, employees and affiliates of the Company or by other persons who will receive fees or other compensation or gain dependent upon the success of this offering and that such purchases will be counted in determining whether the required Minimum Initial Closing Amount has been met for the Initial Closing and, as such, the Purchaser represents and warrants that the Purchaser is not placing any reliance on the sale of Units to other investors in this offering or the sale of the Minimum Initial Closing Amount at the Initial Closing as an indication of the merits of this offering. The sale of the Minimum Initial Closing Amount at the Initial Closing, while desirable for purposes of the business operations of the Company, is not designed as a protection to Purchasers or to indicate that their investment decision is shared by other unaffiliated investors. Each Purchaser acknowledges and agrees that such Purchaser has made its own investment decision as to the merits of this offering.

3.9 Confidentiality and Non-Disclosure Agreement. Such Purchaser agrees and acknowledges that it has entered into that certain Confidentiality and Non-Disclosure Agreement (the “NDA”) and that the NDA remains in full force and effect. Such Purchaser agrees to continue to comply in all respects with the terms and conditions of the NDA.

3.10 Financial Capability. Such Purchaser currently has, or at Closing will have, available funds necessary to purchase the Units at Closing on the terms and conditions contemplated by this Agreement.

4. Conditions to Each Purchaser’s Obligations at Closing. The several obligations of each Purchaser to purchase the Units from the Company and to consummate the transactions contemplated by this Agreement are subject to the fulfillment on or before the Closing of each of the following conditions; *provided*, that each Purchaser shall only be entitled to waive conditions with respect to such Purchaser’s obligations:

4.1 Representations and Warranties. The representations and warranties of the Company contained in Section 2 hereof shall be true and correct on and as of the date of each Closing as if such representations and warranties were made as of such date, except for such representations and warranties made as of a specific date, which shall be true and correct only as of such date, and in each case, except where the failure of such representations and warranties to be so true and correct (without giving effect to any qualification and limitation as to “materiality” or “material adverse effect” set forth therein) would not, individually or in the aggregate, reasonably be expected to have a Company Material Adverse Effect.

4.2 Performance. The Company shall have performed and complied in all material respects with all agreements, obligations, and conditions contained in this Agreement that are required to be performed or complied with by it on or before the Closing.

4.3 Compliance Certificate. The Chief Executive Officer or Chief Financial Officer of the Company shall deliver to such Purchaser at the Closing a certificate stating that the conditions specified in Section 4.1 and Section 4.2 hereof have been fulfilled.

4.4 Registration Rights Agreement. The Company and such Purchaser shall have entered into the Registration Rights Agreement.

4.5 No Legal Restraint. No Law, judgment, injunction, order, ruling, or decree shall have been enacted, promulgated, entered, or enforced by Governmental Authority which would prohibit the consummation of the transactions contemplated by this Agreement, and there shall be no legal proceeding or action pending or threatened by any Governmental Authority that seeks to enact, issue, promulgate, enforce, or enter into any such Law, judgment, injunction, order, ruling, or decree or that seeks to enjoin or prohibit the consummation of the transactions contemplated hereby.

4.6 Minimum Initial Closing Amount. A minimum of \$1,000,000 (the “Minimum Initial Closing Amount”) of Units must be sold at the Initial Closing.

5. Conditions of the Company’s Obligations at Closing. The obligations of the Company to sell the Units to the several Purchasers and to consummate the transactions contemplated by this Agreement are subject to the fulfillment on or before the Closing of each of the following conditions:

5.1 Representations and Warranties. The representations and warranties of each Purchaser contained in Section 3 hereof shall be true and correct on and as of the date of the Closing applicable to such Purchaser as if such representations and warranties were made as of such date, except for such representations and warranties made as of a specific date, which shall be true and correct only as of such date, and in each case, except where the failure of such representations and warranties to be so true and correct (without giving effect to any qualification and limitation as to “materiality” or “material adverse effect” set forth therein) would not, individually or in the aggregate, reasonably be expected to prevent or materially impair or materially delay the ability of such Purchaser to consummate the transactions contemplated by this Agreement.

5.2 Performance. Such Purchaser shall have performed and complied in all material respects with all agreements, obligations, and conditions contained in this Agreement that are required to be performed or complied with by them on or before the Closing.

5.3 Compliance Certificate. An authorized officer of such Purchaser shall deliver to the Company at the Closing a certificate stating that the conditions specified in Section 5.1 and Section 5.2 hereof have been fulfilled.

5.4 Registration Rights Agreement. The Company and each Purchaser shall have entered into the Registration Rights Agreement.

5.5 No Legal Restraint. No Law, judgment, injunction, order, ruling, or decree shall have been enacted, promulgated, entered, or enforced by any Governmental Authority which would prohibit the consummation of the transactions contemplated by this Agreement, and there shall be no legal proceeding or action pending or threatened by any Governmental Authority that seeks to enact, issue, promulgate, enforce, or enter into any such Law, judgment, injunction, order, ruling, or decree or that seeks to enjoin or prohibit the consummation of the transactions contemplated hereby.

5.6 Minimum Initial Closing Amount. This Minimum Initial Closing Amount of Units must be sold at the Initial Closing.

6. Indemnification.

(a) Indemnification by the Company. The Company agrees to indemnify the Purchasers and their Representatives (collectively, "Purchaser Related Parties") from, and hold each of them harmless against, any and all actions, suits, proceedings (including any investigations, litigation or inquiries), demands, and causes of action, and, in connection therewith, and promptly upon demand, pay or reimburse each of them for all costs, losses, liabilities, damages, or expenses of any kind or nature whatsoever, including the reasonable fees and disbursements of counsel and all other reasonable expenses (collectively, "Losses") incurred in connection with investigating, defending or preparing to defend any such matter that may be incurred by them or asserted against or involve any of them as a result of, arising out of, or in any way related to the breach of any of the representations, warranties or covenants of the Company contained herein, provided that such claim for indemnification relating to a breach of the representations or warranties is made prior to the expiration of such representations or warranties.

(b) Indemnification by the Purchasers. Each Purchaser severally agrees to indemnify the Company and its Representatives (collectively, "Company Related Parties") from, and hold each of them harmless against, any and all actions, suits, proceedings (including any investigations, litigation or inquiries), demands, and causes of action, and, in connection therewith, and promptly upon demand, pay or reimburse each of them for all Losses incurred in connection with investigating, defending or preparing to defend any such matter that may be incurred by them or asserted against or involve any of them as a result of, arising out of, or in any way related to the breach of any of the representations, warranties or covenants of such Purchaser contained herein, provided that such claim for indemnification relating to a breach of the representations and warranties is made prior to the expiration of such representations and warranties. Notwithstanding anything herein to the contrary, (i) no Purchaser shall be liable for the acts, omission or breaches of any other Purchaser under or with respect to this Agreement or the transactions contemplated hereby, and (ii) each Purchaser's aggregate liability for Losses under this Section 6(b) shall not exceed the aggregate purchase price payable by such Purchaser to the Company for Units under this Agreement, except in the case of fraud or willful misconduct by such Purchaser.

(c) Indemnification Procedure. Promptly after any Company Related Party or Purchaser Related Party (hereinafter, the “Indemnified Party”) has received notice of any indemnifiable claim hereunder, or the commencement of any action, suit or proceeding by a third Person, which the Indemnified Party believes in good faith is an indemnifiable claim under this Agreement, the Indemnified Party shall give the indemnitor hereunder (the “Indemnifying Party”) written notice of such claim or the commencement of such action, suit or proceeding, but failure to so notify the Indemnifying Party will not relieve the Indemnifying Party from any liability it may have to such Indemnified Party hereunder except to the extent that the Indemnifying Party is materially prejudiced by such failure. Such notice shall state the nature and the basis of such claim to the extent then known. The Indemnifying Party shall have the right to defend and settle, at its own expense and by its own counsel who shall be reasonably acceptable to the Indemnified Party, any such matter as long as the Indemnifying Party pursues the same diligently and in good faith. If the Indemnifying Party undertakes to defend or settle, it shall promptly notify the Indemnified Party of its intention to do so, and the Indemnified Party shall cooperate with the Indemnifying Party and its counsel in all commercially reasonable respects in the defense thereof and the settlement thereof. Such cooperation shall include, but shall not be limited to, furnishing the Indemnifying Party with any books, records and other information reasonably requested by the Indemnifying Party and in the Indemnified Party’s possession or control. Such cooperation of the Indemnified Party shall be at the cost of the Indemnifying Party. After the Indemnifying Party has notified the Indemnified Party of its intention to undertake to defend or settle any such asserted liability, and for so long as the Indemnifying Party diligently pursues such defense, the Indemnifying Party shall not be liable for any additional legal expenses incurred by the Indemnified Party in connection with any defense or settlement of such asserted liability; provided, however, that the Indemnified Party shall be entitled (i) at its expense, to participate in the defense of such asserted liability and the negotiations of the settlement thereof and (ii) if (A) the Indemnifying Party has failed to assume the defense or employ counsel reasonably acceptable to the Indemnified Party or (B) if the defendants in any such action include both the Indemnified Party and the Indemnifying Party and counsel to the Indemnified Party shall have concluded that there may be reasonable defenses available to the Indemnified Party that are different from or in addition to those available to the Indemnifying Party or if the interests of the Indemnified Party reasonably may be deemed to conflict with the interests of the Indemnifying Party, then the Indemnified Party shall have the right to select a separate counsel and to assume such legal defense and otherwise to participate in the defense of such action, with the expenses and fees of such separate counsel and other expenses related to such participation to be reimbursed by the Indemnifying Party as incurred. Notwithstanding any other provision of this Agreement, the Indemnifying Party shall not settle any indemnified claim without the consent of the Indemnified Party, unless the settlement thereof imposes no liability or obligation on, and includes a complete release from liability of, and does not include any admission of wrongdoing or malfeasance by, the Indemnified Party.

7. Anti-Dilution. In the event that within the twelve (12) month period following the initial Closing hereunder (i) the Company has not completed a Qualified Transaction and (ii) the Company, in a capital raise transaction, offers to sell shares of Common Stock for a purchase price of less than \$1.00 per share and/or any security convertible into, or exercisable for, shares of Common Stock (each, a “Common Stock Equivalent”) having a conversion or exercise price, as the case may be, of less than \$1.00 (a “Subsequent Financing”), then the Company shall issue, for no additional consideration, to each Purchaser such number and type of securities offered in such Subsequent Financing so that each Purchaser will have the number of shares of Common Stock and/or Common Stock Equivalents (taking into account the shares of Common Stock purchased by such Purchaser under this Agreement) that such Purchaser would have received if such Purchaser had invested such Purchaser’s respective purchase price hereunder in such Subsequent Financing. For the avoidance of doubt, there shall be no adjustment or cancellation of the Warrants issued under this Agreement in connection with any issuance of securities to the Purchasers pursuant to this Section 7 in connection with a Subsequent Financing.

8. Miscellaneous.

8.1 Survival. The representations, warranties, covenants, and agreements contained in this Agreement shall survive the Closing for a period of one year after the date hereof and thereafter shall have no further force and effect.

8.2 Finder’s Fees. The Company represents that it will be obligated for compensation and other rights to the Placement Agent in connection with this offering as may be set forth in that certain placement agency agreement by and between the Company and the Placement Agent dated effective as of April 8, 2025, as the same may be amended and restated from time to time, including receiving a placement fee and reimbursement for certain expenses. Each Purchaser agrees to indemnify and to hold harmless the Company from any liability for any commission or compensation in the nature of a finder’s or broker’s fee arising out of this offering (and the costs and expenses of defending against such liability or asserted liability) for which each Purchaser or any of its officers, employees, or representatives is responsible. The Company agrees to indemnify and hold harmless each Purchaser from any liability for any commission or compensation in the nature of a finder’s or broker’s fee arising out of this offering (and the costs and expenses of defending against such liability or asserted liability) for which the Company or any of its officers, employees or representatives is responsible.

8.3 Successors and Assigns. The provisions of this Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties hereto. The Company will not assign this Agreement or any rights or obligations hereunder without the prior written consent of the Purchasers. None of the Purchasers will assign this Agreement or any rights or obligations hereunder without the prior written consent of the Company, except to a Permitted Transferee as provided in the next sentence. Notwithstanding anything to the contrary contained herein, each of the Purchasers may assign its commitment to purchase the Units hereunder in whole or in part to any direct or indirect subsidiary of such Purchaser or any of its Affiliates and its Affiliates’ limited partners and/or funds, entities and accounts managed or advised by its Affiliates (any such transferee, a “Permitted Transferee”) subject to such Permitted Transferee making the representations and warranties set forth in Section 3, and each such Permitted Transferee shall be entitled to the full benefit and be subject to the obligations of this Agreement as if such Person were a “Purchaser” hereunder.

8.4 Notices. Any notice or request required or permitted to be delivered under this Agreement shall be given in writing and shall be deemed effectively given (a) if given by personal delivery, upon actual delivery; (b) if given by facsimile or electronic mail, upon receipt of confirmation of a completed transmittal or receipt, as applicable; (c) if given by mail, upon the earlier of (i) actual receipt of such notice by the intended recipient or (ii) three business days after such notice is deposited in first class mail, postage prepaid; and (d) if by an internationally recognized overnight courier, one business day after delivery to such courier for overnight delivery. 8.5 Governing Law. This Agreement shall be governed in all respects by the Laws of the State of New York without regard to choice of Law or principles that could require the application of the Laws of any other jurisdiction.

8.6 Submission to Jurisdiction; Venue; Waiver of Trial by Jury. Each of the parties hereto irrevocably submits to the exclusive jurisdiction of the state and federal courts sitting in the City of New York over any suit, action, or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby. Each of the parties irrevocably waives, to the fullest extent permitted by Law, any objection which it may now or hereafter have to the laying of venue of any such suit, action, or proceeding brought in such a court pursuant to the foregoing sentence and any claim that any such suit, action, or proceeding brought in such a court has been brought in an inconvenient forum. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE, EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT: (A) NO REPRESENTATIVE, AGENT, OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER; (B) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER; (C) EACH PARTY MAKES THIS WAIVER VOLUNTARILY; AND (D) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS SET FORTH IN THIS SECTION 7.6.

8.7 Equitable Relief. The parties hereto agree that irreparable damage would occur in the event that any provision of this Agreement was not performed in accordance with its specific terms or was otherwise breached. It is accordingly agreed that the parties hereto shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in any court of competent jurisdiction, this being in addition to any other remedy to which they are entitled at Law or in equity. Additionally, each party hereto irrevocably waives any defense based on adequacy of any other remedy, whether at Law or in equity, that might be asserted as a bar to the remedy of specific performance of any of the terms or provisions hereof or injunctive relief in any action brought therefor.

8.8 Severability. If any provision of this Agreement or the application of any such provision to any Person or circumstance shall be declared by any court of competent jurisdiction to be invalid, illegal, void, or unenforceable in any respect, all other provisions of this Agreement, or the application of such provision to Persons or circumstances other than those as to which it has been held invalid, illegal, void, or unenforceable, shall nevertheless remain in full force and effect and will in no way be affected, impaired, or invalidated thereby. Upon such determination that any provision, or the application of any such provision, is invalid, illegal, void, or unenforceable, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties hereto as closely as possible to the fullest extent permitted by Law in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the greatest extent possible.

8.9 Entire Agreement. This Agreement, including the Annexes and Exhibits hereto, the NDA, the Warrants and the Registration Rights Agreement constitute the entire agreement between the parties hereto with respect to the subject matter hereof and supersede all prior written, and prior and contemporaneous oral, agreements and understandings between the parties with respect to the subject matter hereof.

8.10 No Third Party Beneficiaries. Nothing in this Agreement (implied or otherwise) is intended to confer upon any Person other than the parties hereto, or their respective successors and permitted assigns, any rights, remedies, obligations, or liabilities under or by reason of this Agreement.

8.11 Headings; Interpretation. All headings and subheadings used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement. The words “include,” “includes,” and “including” will be deemed to be followed by the phrase “without limitation.” The meanings given to terms defined herein will be equally applicable to both the singular and plural forms of such terms. Unless expressly provided to the contrary, the word “or” is not exclusive and “hereunder,” “hereof,” “herein” and words of similar import are references to this Agreement as a whole and not any particular section or other provision of this Agreement. Whenever the context may require, any pronoun includes the corresponding masculine, feminine, and neuter forms. All references to “dollars” or “\$” will be deemed references to the lawful money of the United States of America. Further, the parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party hereto by virtue of the authorship of any provisions of this Agreement. All annexes and exhibits attached hereto are hereby incorporated herein by reference and made a part hereof.

8.12 Expenses. Each party shall pay the fees and expenses of its advisers, counsel, accountants and other experts, if any, and all other expenses incurred by such party incident to the negotiation, preparation, execution, delivery and performance of this Agreement. The Company shall pay all Transfer Agent fees (including any fees required for same-day processing of any instruction letter delivered by the Company and any exercise notice delivered by a Purchaser), stamp taxes and other taxes and duties levied in connection with the delivery of the Units to the Purchasers.

8.13 Amendments and Waivers. No term of this Agreement may be amended or modified without the prior written consent of each party hereto and this Agreement may not be amended in a manner that provides more favorable terms to any Purchaser unless the other Purchasers are first offered the opportunity to accept such favorable terms. No provision of this Agreement may be waived except in a writing executed and delivered by the party against whom such waiver is sought to be enforced.

8.14 Certain Definitions. The following terms shall have the respective meanings for all purposes of the Agreement:

(a) “Affiliate” of any Person shall mean any other Person directly or indirectly controlling or controlled by or under direct or indirect common control with such Person. 8.15 Independent Nature of Purchasers’ Obligations and Rights. The obligations of each Purchaser under this Agreement, the NDA and the Registration Rights Agreement (together, the “Transaction Documents”) are several and not joint with the obligations of any other Purchaser, and no Purchaser shall be responsible in any way for the performance of the obligations of any other Purchaser under any Transaction Document. The decision of each Purchaser to purchase Units pursuant to the Transaction Documents has been made by such Purchaser independently of any other Purchaser and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company or any Subsidiary which may have been made or given by any other Purchaser or by any agent or employee of any other Purchaser, and no Purchaser and any of its agents or employees shall have any liability to any other Purchaser (or any other Person) relating to or arising from any such information, materials, statement or opinions. Nothing contained herein or in any Transaction Document, and no action taken by any Purchaser pursuant thereto, shall be deemed to constitute the Purchasers as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Purchasers are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. Each Purchaser acknowledges that no other Purchaser has acted as agent for such Purchaser in connection with making its investment hereunder and that no Purchaser will be acting as agent of such Purchaser in connection with monitoring its investment in the Units or enforcing its rights under the Transaction Documents. Each Purchaser shall be entitled to independently protect and enforce its rights, including the rights arising out of the Transaction Documents, and it shall not be necessary for any other Purchaser to be joined as an additional party in any proceeding for such purpose.

8.16 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.
